

Eric Dupont

SVP, Customer Care | PowerSecure

Eric Dupont is the senior vice president of Customer Care at PowerSecure.

As a member of the executive management team, Dupont leads the Customer Care division. In this role, he focuses on enhancing PowerSecure system operations through commissioning of systems, premier service and maintenance, PowerControl 24/7 services, managing investment in PowerSecure systems, warranty management and product support.

PowerSecure's Customer Care division ensures that the value of our products and services is fully realized, leading to an exceptional customer experience. Over his 13 years at PowerSecure, Dupont has held various leadership roles within the business.

Most recently, Dupont was the chief development officer, concentrating on new business growth opportunities, especially with utilities, partner network development and the evaluation of new technologies and services. Prior to that, he held positions including vice president of finance, executive vice president, treasurer, secretary, chief financial officer and chief commercial officer.

Before joining PowerSecure, Dupont served as president of Lime Energy Asset Development and held leadership roles at Ameresco and Duke Energy.

Dupont holds a Bachelor of Science in business administration in accounting from Appalachian State University and a Master of Taxation from Denver University.
